Mr. Paul Bean  
Director of Operations  
Hilton Brussels, Belgium

I would like to take the opportunity to express my appreciation for the outstanding service your hotel has provided during my visits to Brussels. During the past year I have had the pleasure of visiting your beautiful city on several occasions and have found the services and accommodations at the Hilton Brussels to be first rate.

When visiting Hilton Brussels, I am responsible for the personal security of Admiral W. Gehman, Jr., Supreme Allied Commander, Atlantic, which requires that I interact with a cross-section of your staff. During my associations with members of your staff, I have found them to be very competent and gracious. In particular, I would like to mention the fine service Mr. Christophe Samyn, Security Supervisor, provides during our visits. Mr. Samyn has taken a personal interest in seeing to all aspects of our stay, making our stay a problem free experience. I have had the opportunity to work with the security directors of some of the finest hotels in the world. Mr. Samyn's level of expertise and professionalism is comparable. I hope you will express my appreciation to Mr. Samyn for his assistance in making stays at the Brussels Hilton both productive and enjoyable.

Sincerely,

Mark R. Cranfill
